PROFESIONAL EXPERIENCE

KHOUIDA.M INFORMATIQUE
juin 2022 - august 2022

Task accomplished :
During my internship at Khouida Maintenance and Repair Company, I developed a task management application using HTML5, CSS, Django, and MySQL. This experience allowed me to enhance my skills in web development and gain practical knowledge in building applications for efficient task management.

HIGHER SCHOOL OF TECHNOLOGY-SAFI
april 2023 - juin 2023

Task accomplished :
As part of my remote internship at Higher School of Technology-SAFI, I worked on developing a desktop application using HTML5, CSS, JavaScript, PHP, and MySQL for the management of an orphanage called "Dar Tifl Safi." This experience provided me with valuable insights into application development, database management, and problem-solving in a remote work environment.
